About the Book

Fred Maddox releases a new commercial fiction novel with a tightly-woven, deft and thought-provoking plot.

Tracy Gray had lost both her parents; her mother, tragically in a car accident when she was a youngster and now her father through a heart attack, brought on by the stress of trying to keep his antique business afloat.

She immediately blamed her father's death on these men and began to formulate a plan for retribution. Her determination to hit back at these people became an obsession...!
