## **About the Book**

*Revealing how the words we speak are literally  
“A matter of life & Death”.*

You will never view the words you speak the same way again after reading this book, but will start to understand how the words you speak can affect your life. In the pages of the book you will find out that the words you speak are powerful, consequential and therefore must be used deliberately. As you read through this book your eyes will open to life changing truths that will benefit you if you apply them to your life.
