## About the Book

### *Animated, bubbly and exhilarating storytelling*

Mr Eden tells his class two gorilla stories: one crazy, one lyrical. Meet Gilbert on his skateboard, or join Sanyu in a world that's much more real - and dangerous.

Sue Hampton has twenty books across different genres for children and teenagers, including TRACES (top three in The People's Book Prize 2012) and FRANK (bronze in The Wishing Shelf Award 2103). Her writing has been praised by her hero Michael Morpurgo ("terrific" "enthraling" "beautifully written"). An ex-teacher based in Herts, Sue now visits schools to inspire pupils. She is also an ambassador for Alopecia UK and has seen that stories can change lives. In her work you can always find love, courage and the right to be different.
