## About the Book

*A well researched, entertaining and chilling exposé of  
the 'real' Jack the Ripper*

Over a century ago a series of shocking mutilation murders took place in a squalid, overcrowded district of Victorian London. Five women fell victim to a man driven by rage and violent fantasy. The newspapers of the day gave him a chilling nickname, a name that evokes images of gas-lit foggy streets and a top-hatted sinister figure carrying a Gladstone bag. From the outset, the murderer attained almost mythical status merely by virtue of his name and his uncanny ability to avoid detection.

This book compares the fiction with the reality of those ghastly events, and clearly shows how the real killer has been transformed into a creature of the mind—the 'other' Jack the Ripper...
