About the Book

*A bold and vital message about the Kingdom of God
- skilfully tackled and powerfully delivered.*

This book arises from twenty five years of study and a passion to see God's people grasp the extent and significance of the Kingdom of God and to apply it in their own lives. This message is not an addendum to the gospel but is in fact the gospel.

"...From the provocative title through to the last page I challenge and inform the reader's understanding of the Kingdom of God and its implications in the here and now. This is not just a theological diatribe, but a reasoned and gritty analysis of what the kingdom of God actually is and how it affects our lifestyle, values and hopes" says Richard Bradbury.
