About the Book

Bryony Allen releases a heart-rending story of bullying, friendship and revenge

Constantly bullied at school, social outcast ALICE TURNER went there to escape the bullying from the Populars. She is befriended by Jenny; an enigmatic waitress who seems to be stuck in the past.

As the Populars begin to reap the wrath of a faithful friend, suspicions build in Alice's mind. Why does Jenny keep mementoes that are four years old? And why does Alice feel that she is to blame for the downfall of her enemies?
