About the Book

Author and Travel writer, Valerie Astill releases an insightful new book based on her unforgettable trip and adventures to Mexico, Guatemala and Belize.

This fascinating trip consisted of so much more than learning about ancient civilisations such as the Aztecs, Zapotecs and Mayans and visiting the remains of their once great cities. Whether travelling by coach, visiting a remote site by five-seater aeroplane or travelling upriver by boat, the journey itself was part of the adventure.

However, it was the discovery that many Indians still practised ancient customs, plus unexpected events such as an erupting volcano, falling rocks and animals invading the bedroom at night, that made this journey through Mexico, Guatemala and Belize so memorable.
