About the Book

Maurice Taylor releases a heart-tugging bitter-sweet love story, in which love and determination brings good out of life's tragic circumstances

Set in Ventnor, a quaint seaside town on the Isle of Wight off the south coast of England, this bitter-sweet love story describes the lifetime of Chris and Penny from their childhood.

As the story unfolds from the early fifties, picturesque scenes from around the island are intertwined in their story of undying love and devotion, and recall features of those early days now long gone.
