About the Book

*Professional watercolour artist Paul Purday,
releases debut fantasy fiction novel.*

This is an intriguing fantasy story highlighting diverse virtues of loyalty, treachery, faithfulness and egoism through its twists and turns. This is a complete two part story; in book one sixteen year-old Peter enters a strange medieval world of magic and sorcery. He is sucked into a fast-moving adventure to free the Land from increasing evil and darkness. In the second part of this book Peter is aware of a new deception and is caught up in a quest to find the Golden City, the route to which has been hitherto unachievable. He approaches the varied problems, not by overcoming them through force, but by reflective wisdom and the principle of non-violence which he learns with increasing depth from the great personages he meets in the Land.
